

United States Senate

WASHINGTON, DC 20510

May 21, 2025

The Honorable Lisa Murkowski
Chair
Subcommittee on Interior, Environment, and
Related Agencies
U.S. Senate Committee on Appropriations
Washington, DC 20510

The Honorable Jeff Merkley
Ranking Member
Subcommittee on Interior, Environment, and
Related Agencies
U.S. Senate Committee on Appropriations
Washington, DC 20510

Dear Chair Murkowski and Ranking Member Merkley:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Interior, Environmental, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Todd Young
United States Senator

Young, Todd(R-IN) Interior and Environment Congressionally Directed Spending Requests

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Clinton	This project would enhance wastewater and stormwater management through infrastructure upgrades, reducing Combined Sewer Overflows into the Wabash River, and improving river water quality.	City of Clinton IN	\$2,000
City of Gary	This project would improve stormwater management and roadway conditions along a major industrial corridor in Gary, Indiana, reducing flooding and enhancing safety for both pedestrians and vehicles.	City of Gary IN	\$2,000
City of Huntington	This project will support the extension drinking water from the City of Huntington's distribution system to the existing water tower in Andrews, enhancing local water safety and reliability.	City of Huntington and Town of Andrews IN	\$3,000
Lake County Board of Commissioners	This project would replace failing septic systems in Lake County with a low-pressure sewer system, improving wastewater management and enhancing local environmental health by connecting approximately 200 residences to the Gary Sanitary District for treatment.	Lake County IN	\$10,630
Greene County	This project would improve water and wastewater infrastructure in Indiana's WestGate@Crane Technology Park, Greene County, and the Town of Crane, including construction of a new wastewater treatment plant, upgrades to existing utility systems, and enhancements to wellfields and primary water mains.	Odon, Bloomfield, Newberry, and Crane IN	\$15,000
Northwest Shelby County Regional Sewer District	The project supports updating the sewer collection system in Fairland and the surrounding communities to replace failing septic systems, improve wastewater management, and enhance local water quality.	Shelby County IN	\$5,000
Town of Kingman	This project will comprehensively rehabilitate the Town of Kingman's water system, including upgrades to the water treatment plant, improvements in water storage and distribution, and enhancements in water safety.	Town of Kingman IN	\$2,000
