

United States Senate
WASHINGTON, DC 20510

April 20, 2026

The Honorable Cindy Hyde-Smith
Chair
Subcommittee on Transportation, Housing
And Urban Development, and Related
Agencies
U.S. Senate Committee on Appropriations
Washington, DC 20510

The Honorable Kirsten Gillibrand
Ranking Member
Subcommittee on Transportation, Housing
And Urban Development, and Related
Agencies
U.S. Senate Committee on Appropriations
Washington, DC 20510

Dear Chair Hyde-Smith and Ranking Member Gillibrand:

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of Paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit organizations.

Sincerely,

Todd Young
United States Senator

**Young, Todd(R-IN) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Indiana Department of Transportation	This project improves the U.S. 31 corridor near Argos through new interchanges, overpass bridges, and access control changes to improve safety and traffic flow.	Argos IN	\$5,000
Indiana Department of Transportation	This project involves replacement of the I-65 Columbus Gateway Arch Bridge in Columbus, Indiana, to address structural deterioration and support future interstate capacity expansion.	Columbus IN	\$10,000
Indiana Department of Transportation	This project would support Section 2 of the I-69 Ohio River Crossing project to construct a new long-term bridge between Evansville, Indiana, and Henderson, Kentucky, improving safety, freight mobility, and interstate connectivity.	Evansville IN	\$50,000
Evansville Vanderburgh Airport Authority District (EVAAD)	This project would reconstruct Taxiway H and Taxiway C between Runway 9-27 due to deteriorated pavement.	Evansville IN	\$8,075
Evansville Vanderburgh Airport Authority District (EVAAD)	This project will enhance Evansville Regional Airport's snow removal capabilities through the acquisition of snow removal vehicles equipped with brooms and/or plows.	Evansville IN	\$2,612
Indiana Department of Transportation	This project supports the replacement of the Tillman Road bridge and adjacent trail in SE Fort Wayne to improve safety, multimodal access, and structural condition.	Fort Wayne IN	\$2,392
Indiana Department of Transportation	This project improves the U.S. 30 corridor near Fort Wayne through interchange, overpass, and related safety improvements.	Fort Wayne IN	\$10,000
Indiana Department of Transportation	This project expands Hillegas Road in Fort Wayne to improve traffic flow, safety, drainage, and pedestrian access.	Fort Wayne IN	\$3,000
Gary/Chicago International Airport Authority (GCIAA)	This project will replace the electrical vault and pilot control system.	Gary IN	\$2,500
Indiana Department of Transportation	This project rehabilitates the Raymond Street Bridge by repairing substructures, replacing the deck, and adding barrier-separated shared-use paths.	Indianapolis IN	\$3,000
Indianapolis Airport Authority	This project supports construction of dedicated Transportation Network Company access lanes at Indianapolis International Airport to reduce congestion, improve traffic flow and safety, and enhance multimodal access.	Indianapolis IN	\$6,800
Michigan City Municipal Airport	This project will bring the Runway Safety Area and Runway Protection Zones into compliance with current FAA standards and extend the runway.	Michigan City IN	\$30,627
Indiana Department of Transportation	This project reconstructs and expands I-70 from SR 39 to Quaker Boulevard, including bridge work and interchange improvements.	Plainfield IN	\$10,000
St. Joseph County Airport Authority	This project will replace the Airport's inbound baggage handling devices and add additional capacity.	St. Joseph County IN	\$6,000
Indiana Department of Transportation	This project reconstructs County Road 200 West in Steuben County to improve traffic flow, safety, and trail connectivity.	Steuben County IN	\$10,200
Terre Haute Regional Airport Authority	This project will assess the condition of the air traffic control tower, identify facility deficiencies, evaluate airspace and line of sight, and conduct FAA sighting study to determine short and long term improvements.	Terre Haute IN	\$650

City of Warsaw Board of Aviation Committee, Warsaw Municipal Airport	This project would restore adequate level of service for aging taxiway infrastructure supporting the primary runway (9-27) at KASW.	Warsaw IN	\$4,820
